Remember to apply for NordGen Forest-SNS Scholarship!

The Nordic institutions, NordGen Forest and Nordic Forest Research (SNS), offer scholarships to encourage education and knowledge exchange within forest genetic resources, supply of seeds, plants and methods for regeneration.

Deadline for application: 15 February

The activity in question must be relevant in a Nordic setting, and contribute to a common Nordic benefit. Maximum amount is 20 000 NOK.

More information about criteria and how to apply at the NordGen Forest web site:

<http://www.nordgen.org/forest/scholarship>
