Remember to apply for NordGen Forest-SNS Scholarship!

The Nordic institutions, NordGen Forest and Nordic Forest Research (SNS), offer scholarships to encourage education and knowledge exchange within forest seed or plant production, regeneration methods and tree breeding in the Nordic countries.

Deadline for application: 15 February 2019

The activity in question must be relevant in a Nordic setting, and contribute to a common Nordic benefit. Maximum amount is 20 000 NOK.

More information about criteria and how to apply at the NordGen Forest web site:

www.nordgen.org/en/forest-scholarship
