Sweden host for IUFRO World Congress 2024

After almost 100 years, IUFRO comes to Sweden again! 5000 delegates from business, government, academia, non-governmental organizations, ministers, politicians and journalists will come to discuss the worlds forests. "It will be a giant storefront for the Nordic forest sector", says SNS secretary Jonas Rönnerberg.

News&Views: 60 years of networking in forest economy

Forest Economics (SSFE) has brought researchers in the Nordic countries together since 1958. Biennial conferences have been organised almost without interruption. The anniversary was celebrated at a conference in Denmark in May 2018.
