Make use of the full potential of your network

Welcome to our Matchmaking day in Reykjavik, September 19th! This is an excellent opportunity for researchers and PhD students to make new contacts, and at the same time approach their dream projects. In the latest edition of News & Views you can read about the pros and cons with recycling of ash and, not the least, a gold winning SNS researcher!

Don't forget to submit your application for annual networks before June!

NEFOM: Urgent to consider soil fungi when managing forest ecosystems for sustainability

The research network NEFOM, (North European Forest Mycologists) integrates research on forest fungi across nine North European countries by coordinating database developments, thematic conferences, field surveys, workshops, PhD courses and inter-institutional study visits.

Coordinator: Karina Clemmensen, karina.clemmensen@slu.se
