Nordic Testbed Network is fit for the digital future

The participants who attended our workshop did a great job to set the vision and structure of the Nordic Testbed Network. The network aims to unite and strengthen testbeds that supports the digital transformation of the bioeconomy, for our common future!

Apply for our scholarship from December 15th

Is there a very special conference that you really don't want to miss? Or do you need some financial support for your master thesis? NordGen Forest and SNS scholarship is granted someone in forest seed or plant production, regeneration methods or tree breeding in the Nordic countries. It should contribute to common Nordic benefit.

[Info and application](#)

SNS interconnects Nordic forest researchers

Matchmaking day for researchers serves the vision of SNS: to support cooperation in Nordic science. We want to give the opportunity to meet, learn and connect. Watch out for next occasion - there will be one!
