

Annual report for SNS research projects

Submit the report to sns@slu.se by 24:00 CET, 1st of March, 2020 and 2021, at the latest.
 The report should not exceed 2000 words (including words in the template).

Please adjust the box size according to the length of your answer.

1. Project title:	Biogeographic analysis of historical forest insect invasions and host associations
2. Reporting year:	March 2019 - March 2020
3. Project coordinator:	Maartje J Klapwijk
Email:	Maartje.klapwijk@slu.se
Address:	Department of Ecology, SLU, Ulls väg 16, 75651 Uppsala

Activities during the reporting year:

4. Project status
a) Does the project develop according to the plans? b) Describe the activities during the reporting year
<p>We have started the project through a meeting with all project participants. Data collection was initiated and completed for the European data, the US dataset is available. The workshop is planned for 14 – 17 April, the accommodation is booked and most travel is arranged. In short the project is developing according plan, due to practical reasons the workshop is planned slightly later than expected.</p>
5. List the published outputs during the reporting year (peer-reviewed articles, other publications):
N.A.
6. List other practical outputs during the reporting year (websites, policy recommendations, conferences, scientific meetings, large-scale project applications, research training etc.)
N.A.

Economic report

7. Received grant from SNS for the reporting year (SEK):
<p>We have received the grant and started spending. No money is directly transferred to the partners but their expenses are being paid for them through SLU.</p> <p>SEK 117 000 – expenses that have been made are for the workshop venue and travel of the participants the complete overview will be given in the next report as they will come with the workshop in the next reporting year.</p>
